

Monday, December 20, 2021

Dear Parents and Guardians,

Due to an abundance of caution, and some staff and students testing positive for CoVid19 and its variants, the Fedcap School will be virtual Tuesday, December 21, 2021 through Thursday, December 23, 2021. HOLIDAY BREAK starts December 24, 2021 through January 2, 2022. We expect to return in full session on Monday, January 3, 2022 but will follow State and County guidance and update you when we have more information.

**NOTE: If students will be not be returning on 1/3/22, we will contact you and return to REMOTE LEARNING distributing Chromebooks, Jetpacks as well as delivering breakfast and lunches weekly as we did during PHASE I (CoVid Protocols 2019.)**

We urge all parents and students to get **vaccinated** and/or tested during this period. Although Fedcap Staff are 100% vaccinated since October, breakthrough cases are being reported.

We continue to mandate masks, daily hygiene practices and daily temperature checks as well as give Covid tests to students who request them and as needed. The building will be sanitized thoroughly during the break.

Below is important Covid testing site information for your use:

site:www.nj.com

"New Jerseyans can now have a [COVID-19](#) test shipped for free to their home under [a new program](#) the state announced last week.

The state Health Department has partnered with test provider Vault Medical Services on the federally funded program, which state Health Commissioner Judith Persichilli said will increase testing "availability and accessibility" throughout New Jersey. It comes as the Garden State continues to see [COVID-19 numbers rise](#) as the winter and holiday seasons arrive. Persichilli testing is "critical" to help track and prevent upticks."

Or visit <https://covid19.nj.gov>

Please contact the school at **973-677-0700** for a recorded message and leave your name and number and we will monitor and return the calls as soon as possible.

If your child did not come to school today, their HOLIDAY GIFTS will be distributed when they return after the break.

Have a safe and **happy holiday!**

Sincerely,

*Luanne Macri*
